h. Support to the Office of Communications: One AFT disc drive was premium packed on an expedited basis for a priority shipment via pouch. In anticipation of future shipments of the same item under similar circumstances, the Depot has contracted with a commercial company for the construction of a supply of shipping containers for Depot stock. Having a supply of containers on hand will enhance the Depots reaction capability. [redacted]

m. Miscellaneous:

25X1 [REDACTED]

(2) Property Disposals: Two truck loads of miscellaneous excess property were delivered to the GSA Sales Center for disposal. The first shipment consisted of 103 line items of communications equipment valued at \$215,000. The second shipment consisted of eight Remington Rand safes, five Map and Plan cabinets and a Clark forklift. Value \$17,000. [REDACTED]

25X1 [REDACTED]

25X1 [REDACTED]

(3) Depot Renovations: A commercial contractor has begun replacing the steel siding on Butler Buildings No 1, 2, 3 and 4. This building renovation is part of the overall program to upgrade the Depot facilities. Replacement of the siding on these buildings will provide for better weatherproofing and improve storage capability as well as enhance the appearance of the Depot complex. [REDACTED]
